

Has a New and Exciting Position Available for our Denton Location

IF you are looking for that ideal job to find the following:

- ▶ Chance to learn and thrive in a rewarding environment
- ▶ Highly competitive pay and benefits package
- ▶ Ability to work in surgery as well as in clinic
- ▶ Opportunity to partner with highly accomplished surgeons in a long-established & successful practice
- ▶ Great environment with ideal support staff

Then please consider **Texas Back Institute** as your future employer!

We are looking for full-time PA's (or NP with First Assist) for the Denton/Flower Mound area. Candidates must have the following:

- ▶ Active license to practice in the State of Texas
- ▶ Be highly motivated, organized and driven to excel
- ▶ IF NP – then must have First Assist certification, to help in the OR
- ▶ Previous experience in orthopedics ideal
- ▶ Have effective listening skills and be able to anticipate, handle and overcome patients needs and/or issues
- ▶ Overall, have excellent customer service skills

Texas Back Institute, established in 1977 is one of the largest freestanding multispecialty spine clinics in the United States and provides comprehensive medical care for patients with back and neck pain. From the beginning, the goal to perform as a center of excellence, integrating the best of science and education with the best business practices, has served Texas Back Institute well and continues to be the backbone of Texas Back Institute's success. More than 30 years later, Texas Back Institute is the most academic private practice in spinal care and is the largest freestanding multidisciplinary academic spine center in the world. Utilizing the latest technological advancements and medical breakthroughs, leading and participating in numerous FDA trials, developing surgeons through its fellowship program and employing an expert medical team and compassionate support staff, Texas Back Institute remains dedicated to helping patients get back to life. Our professional staff includes board-certified spine surgeons, general surgeons, internists, physiatrists, pain specialists, physician assistants and a strong team of physical therapists

Interested candidates please submit your resume in word format to sboston@texasback.com or fax to 972-473-3913

This is a great opportunity for those who desire a stable career, an opportunity to grow and learn in a great working environment, and the chance to grow and be rewarded based on your experience.
